## HALO FOR ASSISTED LIVING CENTERS

### HALO ALC PRODUCT NUMBERS

- 77121 – HALO ALC (complete kit)
- 77122 – HALO ALC REPLACEMENT SAFETY RINGS (2 each)
- 77123 – HALO ALC, RUBBER TUBE SEPARATOR
- 77110 – HALO ALC, TELESCOPING TUBE CONNECTOR PINS (2 each)
- 77111 – HALO ALC, HALO ALC WIDTH EXTENDER
- 77124 – HALO ALC L FRAME MOUNTING BRACKETS, UNIVERSAL (2 each)
- 77125 – HALO ALC FLOOR PLATE (2 each)
- 77126 – HALO ALC, THREADED TUBE CONNECTOR WITH ATTACHED BOLT (2 each)
- 77128 – HALO ALC HARDWARE KIT

### FEATURES

1. Meets and exceeds the March 10, 2006 FDA and HBSW work group alternative dimensional assessment guidelines.
2. Eliminates the four most critical zones of entrapment.
3. Fits on all (L) frame beds (single to queen sizes).
4. Promotes bed mobility and increases environmental independence (e.g. within living quarters).
5. Comes standard with a Universal height adjustment system to accommodate all bed systems' mattress and box spring heights.
6. Weight capacity is 500 lbs.

### BENEFITS

1. Allows for exit points for neck, head and chest.
2. Allows for mattress compressibility and lateral gap space elimination, through the vertical mounting design and the circular shape.
3. Universal width adjustment to accommodate all bed types.
4. Encourage and increase independence.
5. Prevents bed roll outs and falls during wheelchair transfers on both sides of the bed.
6. Allows couples to use the Halo ALC for getting into and out of bed.
7. Allows for both sides of the bed to be off the wall while still preventing bed roll-outs and falls.
8. Lifetime warranty.

The Halo ALC is a registered trademark of  
Halo Medical Products, LLC. Patent pending.
