## FEATURES AND BENEFITS

- Promotes bed mobility/decreases skin breakdown
- Easy removal for bed side transfers and bed therapy
- Permanent locking mechanism to assist resident exiting bed
- 1000 lb. weight capacity
- Turnbuckle style mounting bracket to fit most beds
- Customized mattress stay to prevent lateral mattress movement
- Circular design with a vertical mounting bar to eliminate entrapment and allow for exit points for neck, head and chest
- Easy to install
- Exceeds the 4 <sup>3</sup>/<sub>4</sub>' breadth of the Halo Safety Ring for Zone 1
- Exceeds the compressibility of mattress and 2 <sup>1</sup>/<sub>3</sub>" gap space along with the 60" exit point for Zones 2, 3 and 4
- Meets and exceeds FDA and Hospital Bed Safety Workgroup (HBSW) alternative dimensional and assessment guidelines
- Lifetime Warranty
